LaConya Elliott

Hello,

Thank you so much for entrusting your students at UMHSA as we continue to deliver the best education ever. Your partnership is meaningful and well appreciated.

As we approach warmer temperatures, we have noticed students wearing attire that is inappropriate. Although we are fully aware that our building is not equipped to have the proper HVAC systems working, we still must remember to dress appropriately.

Moving forward, and as a reminder, we are asking all parents to partner with us so that we can maintain the best and most respectful environment at UMHSA.

Therefore, please review your child's attire as they are preparing to enter the school. Shorts and skirts should be at knee's length or extremely close to the knee. We are asking that all body parts are covered. Additionally, we are asking that all students wear clothing that will not allow any type of undergarments to be seen.

If a student does not adhere to the dress code, the following steps will be followed:

- 1. An opportunity to change clothes.**
- 2. A parent may be contacted to bring alternative clothing.**
- 3. A student may be subject to disciplinary actions.**

This applies to all UMHSA students and we ask that you reference our SPS Student Code of Conduct for further understanding, protocols and policies. Our goal is to not disturb any educational process that our phenomenal staff is providing to our scholars. Yet, we cannot allow any inappropriate, disrespectful, or unprofessional attire to be worn.

If you have any questions, please feel free to reach out to me.

Thanks,

Orlando T. Bogins
