Stevenson Elementary School Annual Education Report (AER) Cover Letter

January 11, 2024

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for Stevenson Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Mrs. Tonya Hickman for assistance.

The AER is available for you to review electronically by visiting the following website <http://bit.ly/2ToBsUN>, or you may review a copy in the main office at your child's school.

For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given. **Stevenson Elementary School was not identified as any of the aforementioned labels.**

One of Stevenson's goals this school year is to improve our math scores. We have implemented several expanded learning programs with a focus on mathematics as well as made using the iReady Learning Paths program as a priority in school. We have facilitated and will continue to sponsor Math Family Nights so parents can support their children in closing the mathematics achievement gap. We focus on social emotional learning to increase self awareness, academic achievement and positive behaviors both in and out of the classroom.

Key Challenges

Based on the data in the combined report, Stevenson Elementary School will continue to focus on closing the achievement gap between our top 25% and bottom 25% subgroups.

We will close this gap by continuing to analyze our formative and summative testing data to determine which students need additional support. Once those students are identified, they will receive supplemental support in the classroom and through the school's intervention

programs. We appreciate the continued support of parents, staff, and the community in this effort. State law requires that we also report additional information.

Process for Assigning Pupils to the School

Students are assigned to a school based on their home address, school district boundaries, and seating availability. If the student has an IEP, the school assignment is based on the program availability provided at the assigned school.

All enrollment questions are referred to the Central Enrollment Office.

- Parent/legal guardian brings completed enrollment forms and required documentation to the Central Enrollment Office. This is done in person by a parent/legal guardian.
- Enrollment forms and documentation are not accepted at the student's school.
 - Process after enrollment papers have been submitted to the enrollment office:
 - New student information is entered into MI-Star in the Central Enrollment Office.
 - Building secretaries and/or counselors are informed via MI-Star notification. Student Data form and transcript (grades 9-12 only) are mailed to the secretary immediately.
 - Secondary only – Parents and students are advised to call a counselor or secretary for a scheduling appointment.
 - 30-day placements are completed in the Student Services office. The caseload teacher and principal are notified of new Special Education students and sent a copy of the IEP.
 - Completed enrollment form, report cards, and transcripts are sent to the building within 24 hours.

Status of the 3-5-year School Improvement Plan (SIP)

In 2020, the Michigan Department of Education revised the School Improvement Process. The school improvement process was revised to the Michigan Integrated Continuous Improvement Process (MICIP). Stevenson Elementary School will follow the district MICIP plan.

Southfield Public Schools MICIP Plan is to bolster district wide systems of support designed to increase student academic achievement by 7% by June 30, 2023 and build the capacity of social emotional learning for all stakeholders. This is a living document that is revised throughout the

year based on stakeholder data. MICIP Plan focuses on establishing equity in accessibility to our district wide systems that address social-emotional and academic supports.

Southfield Public Schools will concentrate on engaging students in their learning and as a result will achieve higher proficiency levels in their instruction, assessments, and overall well-being. Dedicated time during staff meetings and school/district professional development days allows staff to have meaningful discussions regarding the implementation and success of various strategies.

A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL—

Southfield Public Schools offers specialized programs that provide students and parents with choices to meet their needs. Programs include:

Birney K-8- has fine-arts programming embedded within the student's daily curriculum. K-8th grade students are able to participate in fine arts programming such as choir, band, visual arts and dance classes. We have established a number of community partnerships which assists with enhancing our programming.

The Bussey Preschool - All Bussey programs including Head Start and Great Start are accredited by the National Association for the Education of Young Children and licensed by Michigan's Family Independence Agency.

Kennedy Learning Center- Kennedy Learning Center is a K-12 and Post-Secondary School that provides quality educational experiences for special needs students in an environment conducive to learning. Our program hinges upon dynamic collaboration between key constituents such as caregivers, parents, students, teachers and social workers. Each student has an individualized program that is comprehensive and functional while addressing their future needs in the home, school and community. The school serves students ages 5-17 and young adults ages 18-26. Kennedy Learning Center Work Skills students currently participate in offsite Work Based Learning at Southfield A&T High School with a job coach.

Levey Middle School - offers an Integrated STEM Program (science, technology, engineering, and math) for students who demonstrate a strong interest in these areas. An application process determines who will attend this innovative program.

MacArthur K-8 University Academy- is an application K-8 school of choice within Southfield Public Schools. MacArthur K-8 University Academy has partnerships with The University of Michigan-Dearborn, the Engineering Society of Detroit, and Michigan First Credit Union.

Stevenson Elementary- A United Way for Southeastern Michigan Community School. A Community School is a neighborhood hub that students, families, staff and the surrounding community can take pride in. These groups all play a vital part in the success of the school, helping ensure that every student is successful. Community Schools offer academic support, social and emotional learning, and health and wellness resources. United Way for Southeastern Michigan's Community Schools model focuses on: Integrated Student Supports, Family and Community Engagement, Expanded Learning Time and Opportunities and Collaborative Leadership.

Thompson K-8 International Academy and Southfield High School for the Arts and Technology- are also IB World Campuses and join the community of state, private, national and international schools from every region of the world offering IB Programs. These are schools that share a common philosophy-a commitment to the high quality, challenging, international education that is important for student success on a global level.

University Middle School Academy- is an examination/application school for students in grades 6-8. It is housed on the Lathrup Campus with a rigorous curriculum which has a balanced focus on the four core academic content areas of English language arts, mathematics, science, and social studies.

University High School Academy and University High School Preparatory Academy- is a school for parents and families who are highly motivated and who demonstrate a strong interest in Integrated STEM (science, technology, engineering, and math). This examination/application high school partners with the University of Michigan-Dearborn and Michigan First Credit Union. The educational process provides a variety of learning experiences flexible enough to allow for freedom to experiment and to make decisions conducive to personal growth.

Vandenberg World Cultures Academy, Thompson K-8 International Academy, and Southfield High School for the Arts and Technology: The school district now has three magnet ESL/bilingual schools. In an effort to provide improved rigor, consistency, and best practice, the elementary, middle and high school English language learners will be housed in an appropriate socio-cultural environment that is academically and cognitively challenging.

Core Curriculum Access

The district is utilizing the Atlas Rubicon platform to standardize implementation of core content. The district is following an approved model and is being supported through this process by Oakland Schools, our local ISD. The district has executed two internal audits to assess current status and build out next steps.

Aggregate Student Achievement Results for any Local Competency Tests or Nationally Normed Achievement Tests

All students at Stevenson Elementary complete the iReady Assessment three times each school year; assessment data provides a nationally norm-referenced measurement of a student's academic growth. Stevenson students in grades 3-5 also take the Michigan Student Test of Educational Progress (M STEP) each spring. The link for the aggregate report of these assessment results is located at the website: <http://bit.ly/2ToBsUN>.

Parent-Teacher Conferences

Parent involvement is important for a student to experience academic success. During the 2022-2023 school year, 98.8 % of our parents attended the Parent-Teacher Conferences representing 446 students. For the 2021-2022 school year, 99% of our parents representing 385 students attended Stevenson Elementary Parent-Teacher Conferences.

Closing

The Stevenson Elementary staff is committed to creating and maintaining an educational environment that provides value and purpose to our scholars. We will support academic achievement and upholding district, state, and national standards to meet all students' learning needs. We are very proud of our scholars' continuous academic growth and accomplishments despite the pandemic learning loss. We will continue to meet or exceed the academic indicators set by our district, the State of Michigan and align ourselves to the United Way Community School model with emphasis on the following four pillars: Integrated Student Supports, Family and Community Engagement, Expanded Learning Time and Opportunities and Collaborative Leadership. Besides growing our scholars academically, we are proud to help them design their futures and develop their social emotional competencies.

The rigorous curriculum delivered by our top-notch staff members provide every opportunity for Stevenson students to excel. Community partners and parents also play an essential role in our scholar's educational success. We are most appreciative of working shoulder to shoulder with our community partners and parents as Southfield Public School's First United Way Community School for Southeastern Michigan.

Sincerely,

Tonya Hickman
